Insurrections at the South. The following from the Nashville Tenn. Union is a report of a meeting

and its proceedings beld in the Court They will be read with interest. Monday, Dec. 8, '56

der pursuant to adjournment, the com-mittee reported the following resolutions, which were adopted:

A majority of the committee to whom
was referred the subject of the present difficulties among the slaves, bog leave to

report the following resolutions: est evidence that there was a contemplated insurrection among a portion of the slaves of our county; in this we all con-cur, and that the present investigation, by which the plot has been unravelled and known to exist, be carefully presecuted until the whole plan is fully developed, and that such an investigation be set on foot in the various civil districts of the county, by the Magistrates thereof."

24. Resolved, That the various magistrates of the county hand over the leaders of the conspiracy to a jury af twelve s'ave-holders of this county, appointed by this meeting, which jury shall rry said slaves and deal with them as the interest of the community may require; said jury to adopt such regulations in regard to the

trial as they think proper.

3d. Resolved, That each civil district in the county meet and organize a sufficient contained a self-avident proposition. usless absent by written parmission of the owners or hirer, designated the time they are to be absent, and the place they are to go. We find the following queer ancedote in the Autobiography of a Medical Heretio, published in the New York Scalpel.

edited by Dr. Dixon: A gentleman appearing to be very digs The excitement had now become so great, that multitudes had assembled about the Stoddard House, some cussing, others discussing the whole affair; when one of firm and bold spirit cried out:

"I'll go with any other man, enter the house, and take the girl to her husband."

"So will I," responded a dozen voices, Immediately a large company of both ld and young Americana was formally and young Americana was formall Immediately a large company of mod, man to the Devil. At this angular old and young Americans was formed, dor the melancholy gentleman laughed which was soon in full array in front of der the melancholy gentleman laughed the lady. The heartily, and then named a nearer place of destination.

Singular Amusements.

The old Raman emperor who offered At this moment the excitement was in- a reward to any one who would intromse, all rife for a time and ready to take | duce him to a new pleasure. has been the house down rather than not obtain the wife for the husband.

'I say,' shouted the leader of the van, we'll give you just five minutes to bring day they shaved a small pig.greased him, that woman to her husband. If you don't and then let him leese in a field, to become the prize of the first person who should eatch and hold him. Twelve young —and in less time the woman was delivered to the anxious husband, amidst at lass succeeded in retaining the slippery for roting No, to the effect that while the joyful shouts of the concourse of customer. Afterwards a prize was offered they opposed the reopening of the slave contained on the father left town the judget with a phase of the man, who, while blindfolded. The father left town the judget with should, who I a wheelbarrow searcht to a securit to Ahn Finns the possession of his legal wife.—Portland Argus. pio games. Natick is the home of Senator

Henry Wilson. FASHIONABLE RIGGING .- A lady array ed in the height of existing fashion pretrouble himself about the aristrocratic air sents an interesting spectacle. Her dress piled tier above tier, renders her an example of Beauty in tiers of muslin. This leanly a condition that a grand hotel poculiar arrangement of female costume affords facilities for the introduction of a new pattern, which would probably besome popular. Each tier might be figured with representations of the port holes of a man-of war, carrying guns. Thus decorated with the semblance of decks, avoid remarking on the smallness of the charge. 'Ah, sir,' said the landlady. "I should ask eight pence from any one else, but I are the spectator with striking effect. In this nautical trim a young lady might exhibit herself at a fancy dress ball in the charactor of the Saucy Arethusia - unless is may be abjected that to come it, in Co-kney phraseology, so strong as this would be unsuitable to she character of

he weaker vessel.

The Wrong Shop. Dr. X--- in? 'Don't live hera,' says P---, who was full scribble, without looking u ;.

Next door. 'l'ray, sir, can you tell me has the doeor many patients?" Not living. The old gentleman was never more

eard of in the vicinity, but the story was,

'Ch, I thought this was his office.'

Ar For three Sundays lately, says 14. Great numbers were present to contribute their shilling or sixpence, and to witness the throwing of the dice. The object of the raffle was to raise money to lecorate the chapel with pictures and maps. Ballybrack was the scene of

tighting and drunkonvess during the remainder of the Lord's day. Hoors Again .- Thanks! muttered our bachelor friend, 'no more women in hoavon-can't get in. Their hoops are so broad, they will have to go she broad road! None of these fastionables can ever crowd through the narrow gate'
